

Correction to Armenta et al. (2013)

In the article “Where Are You From? A Validation of the Foreigner Objectification Scale and the Psychological Correlates of Foreigner Objectification Among Asian Americans and Latinos” by Brian E. Armenta, Richard M. Lee, Stephanie T. Pituc, Kyoung-Rae Jung, Irene J. K. Park, José A. Soto, Su Yeong Kim, and Seth J. Schwartz (*Cultural Diversity and Ethnic Minority Psychology*, 2013, Vol 19, No. 2, pp 131–142. <http://dx.doi.org/10.1037/a0031547>), there was an error in the author note and the Measures section. The author note omitted the following: “For questions and permission to use the Foreigner Objectification Scale, please contact Richard M. Lee (richlee@umn.edu).” The last sentence in paragraph two of the Measures section should have read, “Responses were provided on a 4-point scale, using the response options of 1 (*never*), 2 (*once or twice*), 3 (*three or four times*), and 4 (*five or more times*).”
